Dear Mr Manley,

How are you at this time. I
received your letter Tuesday. And
was glad to hear from you. And
the reason I haven't wrote you
is to go to prison the first of January
And I just got of the month of May
and the address you had wrote me
was lost when I got home. And I
only played one home since I come
home And it against Winston Salem
and we won. If I hadn't got in
trouble I would have been there in
the Spring Training. And I still
want to play with the Eagles.
James Brown learned me a lot of
experience about playing Baseball.
I hope that you will not think hard
to me. Send the ticket right away
and I will be right up and give you
good service I hope. If you decide that
you want me to play just send the
ticket I will see you a hoot the
ticket when I get there. Yours Very Truly
Donnie Wright
